Sample Answers: A Glimpse into ICSE English Excellence

Below are a few illustrative answers for typical ICSE Class 10 English questions. These examples showcase structure, depth, and language usage.

Question: Discuss the theme of sacrifice in O. Henry's "The Gift of the Magi". Provide specific examples from the text.

Answer:

O. Henry's "The Gift of the Magi" poignantly illustrates the theme of sacrifice through the mutual self less acts of Della and Jim. Della's decision to sell her prized hair to buy a chain for Jim's prized watch exemplifies her willingness to part with her most treasured possession. Conversely, Jim sells his watch to purchase a set of combs for Della's hair. Both acts are driven by love rather than material desire, underscoring the narrative's central message: true love manifests in self less giving. The irony that each gift becomes useless after the other's sacrifice further amplifies the depth of their commitment. Thus, the story uses the motif of sacrifice to highlight the power of love and the paradoxical nature of human generosity.

Question: Write an essay on the importance of digital literacy in modern education.

Firstly, digital literacy fosters critical thinking; students learn to assess the credibility of online sources, a vital skill in an age of misinformation. Secondly, it promotes collaborative learning; platforms such as Google Workspace enable real time teamwork, mirroring workplace dynamics. Thirdly, digital literacy enhances employability; employers increasingly seek candidates proficient in software, data analysis, and digital communication. Finally, it democratizes education by providing access to resources beyond geographical boundaries. Therefore, integrating digital literacy into curricula is not merely an addition but a necessity to prepare students for the complexities of the 21st century workforce.
