Teenage Mutant Ninja Turtles Action Figures List: A Complete Guide for Collectors

For decades, the Teenage Mutant Ninja Turtles (TMNT) have captured the imagination of kids and adults alike. From comic books and animated series to blockbuster movies, the four heroic brothers—Leonardo, Michelangelo, Donatello, and Raphael—have left an indelible mark on pop culture. One of the most beloved ways to celebrate the franchise is through action figures. Whether you're a seasoned collector, a nostalgic fan, or a parent looking for a gift, this comprehensive list of TMNT action figures will help you navigate the vast world of toys, discover hidden gems, and build a collection that stands the test of time.

Why TMNT Action Figures Are Still a Hit

Action figures are more than just toys; they're a portal to storytelling, imagination, and personal expression. TMNT figures offer:

- High Detail and Poseability: Many lines feature articulated limbs, interchangeable weapons, and realistic paint schemes.
- Cross-Generational Appeal: From the 1980s original line to the 2023 cinematic releases, every generation can find something that resonates.
- Collectible Value: Limited editions, exclusive releases, and rare variants can appreciate over time.
- Community and Play: Fans can trade, display, or reenact epic battles with friends.

Historical Overview of TMNT Action Figures

The TMNT action figure market has evolved dramatically since the first release in the mid 1980s. Understanding this timeline helps collectors identify the best pieces for their shelves.

1980s: The Original 6 Pack

In 1988, Toy Biz launched the iconic 6 pack: Leonardo, Michelangelo, Donatello, Raphael, Splinter, and Casey Jones. These figures were 6.5 inches tall, featured a simple articulation system, and had a classic "bald" design for the turtles. The line also included a plastic shell that could be removed for a "classic" look.

1990s: Expansion and Innovation

With the success of the 1987 animated series, the 1990s saw a surge in TMNT merchandise. Major highlights include:

- Mattel's 6 Pack (1990): A redesign with improved articulation and a more realistic body shape.
- Mattel's 8 Pack (1992): Added the new character, April O"Neil, and a new design for Casey Jones.
- Mattel's 12 Pack (1995): Expanded the lineup with additional villains like Bebop, Rocksteady, and the Foot Clan.
- Hot Toys 6 Pack (1997): Introduced a more detailed sculpt and a 6 pack with a "classic" and "modern" version.

2000s: Reboots and Premium Lines

The 2000s brought a resurgence of interest due to new animated series and the 2007 live action film. Premium lines

emerged:

- Mattel's 6 Pack (2004): A high detail line featuring improved articulation.
- Hot Toys 6 Pack (2007): A 6 pack with a new "modern" look and a removable shell.
- Hasbro's 6 Pack (2008): A line that mixed classic and modern features with a more robust build.

2010s: Collectible and Limited Editions

Collectors began to appreciate the value of limited editions and variant releases. Notable releases include:

- Mattel's 6 Pack (2010): Re-release of the classic line with a new paint scheme.
- Hasbro's 6 Pack (2012): A premium line featuring 6 pack with interchangeable weapons.
- Hot Toys 6 Pack (2013): A 6 pack with a "classic" and "modern" version, featuring a removable shell and improved articulation.
- Mattel's 6 Pack (2015): A re release with a new "classic" look and a removable shell.

2020s: Cinematic and 4 Pack Lines

With the release of the 2023 film, new lines were launched, including:

- Mattel's 4 Pack (2023): Featuring Leonardo, Michelangelo, Donatello, and Raphael with a removable shell.
- Hasbro's 4 Pack (2023): A new line with 6 pack featuring a removable shell.
- Mattel's 6 Pack (2023): A high detail 6 pack with a removable shell.
- Hot Toys 6 Pack (2023): A new 6 pack featuring a removable shell.
